

Cambodia Fiber Optic Cable Bracket Price Inquiry

Article Overview

Fiber optic cable brackets in Cambodia typically range from \$1 to \$10 per unit, depending on material, size, and supplier.

Price Overview

Fiber optic cable brackets are essential for securing fiber optic cables in FTTx and other telecom networks. Prices vary based on material (UV-resistant thermoplastic, galvanized steel, aluminum alloy, stainless steel), size, and quality standards. International suppliers, such as those listed on Alibaba, offer brackets starting from \$1-\$3 for basic plastic models and up to \$8-\$10 for durable metal brackets suitable for outdoor installations .

Local Sourcing in Cambodia

Cambodia imports most fiber optic products from Vietnam, India, and Hong Kong, with a limited number of local suppliers . Verified cabling and fiber optics companies in Phnom Penh can provide brackets and installation accessories, often offering bulk discounts for larger orders . Local suppliers may also provide customized brackets or OEM options, which can slightly increase the cost but ensure compatibility with specific network setups .
