

EU Home Distribution Box Design Manufacturer

Article Overview

Leading EU manufacturers of home distribution boxes include CUBIC, SENTAL, IDE Electric, PEFLEX, and ELDI, offering modular, customizable, and standard-compliant solutions.

Key Manufacturers and Offerings

CUBIC CUBIC provides a modular system for low-power switchboards, allowing flexible assembly and expansion. Their enclosures are tested to IEC/EN 61439 standards and can withstand harsh environments up to IP54. The system supports components from any supplier, making it highly versatile for residential and industrial applications. Custom versions in stainless or lacquered steel are also available, suitable for diverse industries including OEM, infrastructure, and renewable energy . SENTAL Export GmbH SENTAL offers a wide range of indoor and outdoor distribution boxes, including street cabinets. They provide solutions for both standard and customized requirements, ensuring compliance with EU safety and quality standards. Their products are suitable for residential, commercial, and public infrastructure projects . IDE Electric IDE Electric manufactures enclosures using high-durability, halogen-free plastics, covering 10-125 Amperes and 24-500 Volts, with protection ratings from IP44 to IP67. Their products are designed according to REBT: 2002 and are suitable for both indoor and outdoor installations, providing robust and safe electrical distribution solutions . PEFLEX (BOXMAKER) PEFLEX specializes in custom-made distribution boxes for ventilation systems, but their BOXMAKER program allows rapid design and production of tailored boxes. Customers can specify dimensions, c...
