

Energy-Saving Cable Tray Procurement Guide

Article Overview

Energy-saving cable trays are available from global suppliers offering durable, corrosion-resistant, and efficient cable management solutions suitable for industrial and commercial projects.

Key Suppliers and Manufacturers

- Accio Energy-Saving Cable Trays Offers advanced cable trays with features like fireproofing, corrosion resistance, and customizable designs. Smart trays with embedded monitoring for energy flow tracking are available, supporting sustainability initiatives and efficient cable management .
- Atkore International Provides stainless steel, galvanized, and fiberglass cable trays, including roll-formed and modular designs. Known for reliable delivery and high-quality products suitable for construction and renovation projects .
- Øglænd System Supplies cable trays in stainless steel, aluminum, galvanized steel, and FRP/GRP composites. Offers ladder systems for heavy-duty support, slot patterns for optimal cable positioning, and a wide range of brackets and fittings for flexible installation .
- European Manufacturers
- Niedax Group (Germany): Extensive range of cable trays and support systems for construction, energy, and transportation sectors.
- Spina Group (Italy): Specializes in ladder and perforated trays for heavy-duty industrial applications.
- Legrand (France): Offers Cablofil wire mesh trays, known for easy installation and adaptability
