

Estonian High-Quality Electrical Distribution Box Company

Article Overview

Top Estonian companies for electrical distribution boxes include Eltech Solutions OÜ, Könnner & Söhnen, and ElectroAir, offering solutions for residential, industrial, and specialized applications.

Eltech Solutions OÜ

Eltech Solutions OÜ is a leading Estonian company specializing in the design, manufacture, and sale of electrical equipment, including low, medium, and high voltage switchgear and controlgear. They produce factory-tested compact substations (ES-CAV concrete and ES-OSM metal enclosures) that comply with international standards such as IEC 62271-202:2014 and EN 61439-1/2. Their products are modular, flexible, and suitable for industrial and commercial applications, making them a top choice for customized electrical distribution solutions in Estonia (Eltech Solutions OÜ) .

Könnner & Söhnen

Könnner & Söhnen offers distribution boards for indoor and outdoor use, suitable for residential, construction, and industrial environments. Their boards support up to 7 device groups with a maximum current of 32A and include circuit breakers, fuses, grounding bars, and integrated sockets for safety and convenience. They are designed for durability, impact resistance, and long service life, making them ideal for both standard and heavy-duty electrical applications. Products can be purchase...
