

# Explosion-proof cable tray manufacturer direct sales

## Article Overview

Leading manufacturers like EX Industries, Amasly, Spina Group, Supermec, and ABB offer explosion-proof cable trays with direct sales and global certifications for hazardous environments.

### Key Manufacturers and Suppliers

EX Industries provides high-quality explosion-proof electrical equipment, including cable trays, designed for hazardous locations. Their products meet IECEx, ATEX, UL, CSA, and GOST standards, and they offer technical support and custom engineering solutions for industrial projects worldwide . Amasly specializes in explosion-proof cable trays, cable reels, and LED lighting. Their trays are designed to prevent sparks and static electricity, featuring built-in leakage protection switches and durable aluminum alloy construction. They are suitable for environments like mines, oil fields, and chemical plants . Spina Group manufactures explosion-proof cable trays and accessories according to customer specifications. They comply with UL, ATEX, NEC, and IECEx standards and provide services including wiring, testing, and technical documentation. Their products include interlocked sockets, plugs, and multiple-entry junction boxes for industrial applications . Supermec offers a complete range of ATEX and IECEx compliant explosion-proof cable trays and electrical equipment. They provide integrated engineering, procurement, construction, and maintenance (EPCM) services, with a global presence and local support for fast delivery . ABB PMA Ex-System supplies flexible non-metallic cable protection systems suitable for hazardous areas. Their solutions are ideal for chemical, pharmaceutical, and food processing i...
