

Fengxin Cable Tray Price List

Article Overview

Fengxin cable trays are available in various types and materials, with prices ranging from approximately \$0.80 to \$76 per unit depending on material, size, and configuration.

Price Overview by Material and Type

- **Stainless Steel Cable Trays (304/316 grades):** Premium options with high corrosion resistance, suitable for industrial, commercial, and outdoor installations. Widths range from 50mm to 900mm, with ladder, perforated, and solid-bottom designs. Prices vary based on dimensions and specifications, typically \$15-\$76 per unit, with bulk B2B pricing as low as \$0.80 per unit for large orders .
- **Aluminum Cable Trays:** Lightweight and corrosion-resistant, ideal for indoor and moderate environmental conditions. Prices are generally lower than stainless steel, often in the \$10-\$50 range, depending on size and load capacity .
- **Fiberglass Reinforced Plastic (FRP) Cable Trays:** Non-conductive, corrosion-proof, and suitable for extreme environments such as chemical plants, offshore rigs, and coastal infrastructure. FRP trays are more expensive due to specialized manufacturing, typically \$20-\$70 per unit, but offer long-term durability and minimal maintenance .
