

# Free quote for polarization-guaranteed fiber optic cable ADSS in Iran

## Article Overview

You can request a free quote for ADSS fiber optic cable in Iran by contacting local suppliers through trade platforms or manufacturers offering customized all-dielectric self-supporting cables.

### ADSS Cable Overview

ADSS (All-Dielectric Self-Supporting) fiber optic cables are designed for outdoor aerial deployment without metallic elements, making them suitable for installation along power lines and long-distance telecom networks . Key features include:

- Self-supporting design with built-in tensile strength
- High temperature and UV resistance
- PE or AT sheaths depending on line voltage (110 kV: AT)
- Stranded or uni-tube structures for medium/large or small spans
- Fiber counts ranging from 12 to 432 cores
- Compliance certifications such as CE, RoHS, and GR-20

### Suppliers in Iran

Iran has a network of 436 active fiber optic cable suppliers, which can be filtered by export volume, pricing trends, and product type . Platforms like Volza provide access to supplier contacts and export shipment details, enabling you to request quotes directly. Local distributors may also offer customized ADSS solutions including polar...
