

Huawei Printed Optical Cable Manufacturer

Article Overview

Jiangsu Huawei Optoelectronic Technology Co., Ltd. and ETU-Link Technology Co., Ltd. are key manufacturers of Huawei-compatible printed optical cables.

Key Manufacturers

1. Jiangsu Huawei Optoelectronic Technology Co., Ltd. Located in Nantong City, Jiangsu Province, China, this high-tech enterprise specializes in the research, development, and production of communication optical cables. Their product range includes FTTH fiber optic cables, FTTR fiber optic cables, OFNP cables, multi-core sub-unit cables, and self-supporting outdoor fiber cables, all compatible with Huawei networking solutions. The company serves telecom operators, transportation, power, aerospace, energy, national defense, and education sectors, exporting to North America, Europe, South America, the Middle East, and Southeast Asia. They emphasize high-quality production, customization, and advanced testing equipment to ensure reliability and performance in both domestic and international markets (Web result). 2. ETU-Link Technology Co., Ltd. ETU-Link is a trusted supplier of Huawei SFP Active Optical Cables (AOC), offering high-speed data transfer solutions that integrate seamlessly with Huawei equipment. Their products are known for durability, energy efficiency, and lightweight design, which helps reduce operational costs while maintaining high performance. ETU-Link provides a variety of configurations to meet diverse networking requirements, making them a reliable choice for enterprise and data center applications (Web result),...
