

Indian Hot-Dip Galvanized Cable Tray Brands

Article Overview

Leading Indian manufacturers of hot-dip galvanized cable trays include Electrotech Industries, R.K. Engineering, Global Manufacturers, and Electraa Fab, offering durable, corrosion-resistant solutions for industrial and commercial applications.

Key Manufacturers

Electrotech Industries Based in India, Electrotech Industries specializes in hot-dip galvanized cable trays made from high-quality galvanized steel and cast iron, capable of withstanding temperatures up to 450°C. They offer HDG ladder trays for heavy-duty industrial use, providing excellent ventilation and heat dissipation, and HDG trough trays for enclosed protection against dust, moisture, and mechanical damage . R.K. Engineering and Galvanizers Pvt. Ltd. An ISO-certified manufacturer, R.K. Engineering produces HDG cable trays, GI cable trays, ladder trays, and industrial raceway systems. Their products are designed for power distribution, industrial infrastructure, and outdoor applications, with in-house hot-dip galvanizing ensuring corrosion resistance and durability. They also provide earthing strips, solar mounting structures, and OEM galvanizing services for large-scale infrastructure projects . Global Manufacturers Located in West Bengal and serving across India, Global Manufacturers produces hot-dip ladder and perforated cable trays. Their trays are zinc-coated for corrosion resistance, suitable for outdoor and industrial installations. They offer customizable sizes, easy installation, and cost-effective solutions for large-scale projects . Electraa Fab Private Limited Based in Pune, Maharashtra, Electraa Fab offers a wide range of MS perforated and channel-type hot-dip galvanized cable tra...
