

Indoor Cable Management Rack Brands

Article Overview

Top indoor cable management rack brands include StarTech, Panduit, APC, Tripp Lite, RackSolutions, NavePoint, Ortronics, CyberPower, and Hubbell.

Popular Brands and Their Offerings

StarTech – Offers both horizontal and vertical cable managers, D-ring hooks, and professional-grade metal panels for 19-inch racks, suitable for high-density server environments and home offices . Panduit – Known for PatchLink™ horizontal managers, NetRunner™ vertical managers, and NetManager™ high-capacity horizontal solutions. Their products optimize airflow, protect cables, and provide modular installation options . RackSolutions – Provides a wide range of cable management solutions including horizontal bars, vertical channels, and cable management arms for sliding equipment, improving airflow and maintenance ease . APC – Offers cable management accessories integrated with their server racks and enclosures, including horizontal and vertical organizers for structured cabling. Tripp Lite – Supplies cable management panels, D-rings, and raceways compatible with standard 19-inch racks, focusing on durability and ease of installation. NavePoint – Provides budget-friendly rack cable management solutions, including horizontal and vertical organizers, suitable for small offices and home labs . Ortronics – Specializes in structured cabling solutions with high-quality vertical and horizontal cable management systems for enterprise networks. CyberPower – Offers cable management accessories integrated with power distribution units and server racks, emphasizing safety and organization. Hubbell – Provides professional-grade cable management products for data centers and commercial installations, including wire ducts, lacing bars, and vertical managers
