

Manufacturer of Middle East Standard Distribution Boxes

Article Overview

Top suppliers of standard distribution boxes in the Middle East include Coloria Group, Al Safeenah, and WAROM, offering durable, weatherproof, and locally compliant electrical solutions.

Key Suppliers

1. Coloria Group Coloria provides both local manufacturing and global expertise for distribution boxes in the Middle East, with a strong presence in Saudi Arabia and the UAE . Their products are designed to withstand extreme temperatures, humidity, and sandstorms, making them suitable for residential, commercial, and industrial projects. Coloria emphasizes compliance with local electrical codes, including SASO standards, and offers rapid delivery and customization for urgent project needs. Their factory in the region ensures reduced lead times and localized support. 2. Al Safeenah Al Safeenah manufactures high-quality distribution boxes in the UAE, constructed from carbon steel, stainless steel, or thermoplastic . Key features include IP65/IP66 weatherproof ratings, corrosion-resistant coatings, and modular designs compatible with DIN-rail mounting for MCBs, RCDs, and surge protectors. Their products are widely used in construction sites, industrial plants, telecommunications, commercial buildings, and renewable energy installations, ensuring operational safety and reliability in harsh environments. 3. WAROM Technology MENA FZCO WAROM operates as a regional hub for the Middle East and North Africa, offering a comprehensive range of electrical apparatus including distribution boxes . Their facility in Dubai includes assembly, stock, and technical support, enabling real-time...
