

Mauritius Fiber Optic Sensor Specifications

Overview

© 20KM LC Connector Port Gigabit SFP Module © Encapsulated Type: SFP © Transmission Distance: 20KM © Connector: LC connector Port © Transmission Rate: 1.3V © Working Temperature: . Our core business is the manufacture and provision of passive FTTH products and accessories for the domestic market, Indian Ocean Islands and the Eastern Seaboard of Africa. Our fiber solutions are manufactured at our. Today, already with over 500 standard, application or customer specific fiber optic sensors, we take pride in working together with you to ensure the best performance fit for your application. The Dam will provide a more reliable fibre optic cable and a seepage monitoring system was installed. The cable layout is designed to. At Electrum, we offer a wide range of cutting-edge telecom solutions designed to meet your unique future needs and challenges. Founded in 2011, we specialize in turnkey infrastructure.
