

Myanmar sells explosion-proof electrical distribution boxes

Article Overview

Explosion-proof electrical distribution boxes are available in Myanmar through authorized distributors like Newton Solutions, offering products from WAROM TECHNOLOGY compliant with international safety standards.

Suppliers and Availability

In Myanmar, Newton Solutions is a key provider of explosion-proof products, including distribution boxes. They distribute products from WAROM TECHNOLOGY, one of the largest manufacturers of Ex-Proof equipment in China, which serves over 50 countries and clients such as Shell, BP, ExxonMobil, and Schlumberger . Newton Solutions can supply in-stock items and also source products quickly for urgent requirements .

Product Range and Applications

The explosion-proof distribution boxes offered are designed for hazardous environments such as oil and gas, chemical, petrochemical, pharmaceutical, and power sectors . These boxes are engineered to minimize the risk of explosions and fires caused by electrical systems in environments with dust, heat, humidity, or flammable gases .
