

Namibian Power Distribution Box Manufacturers

Article Overview

Namibia has several local manufacturers and suppliers of power distribution boxes, including Megatron Engineering Namibia and multiple B2B-listed companies for outdoor and industrial applications.

Key Manufacturers and Suppliers

Megatron Engineering Namibia (Pty) Ltd

- Established in 2013, Megatron is a 100% Namibian-owned electrical engineering company specializing in medium and high voltage projects.
- They provide custom power distribution solutions, installation, and maintenance services across Namibia and the SADC region.
- Offices are located in Windhoek and Walvis Bay, and they maintain partnerships with global Original Equipment Manufacturers, ensuring certified technical support and high-quality products . B2B Marketplaces and Supplier Listings
- Platforms like Europages list 25 companies supplying outdoor power distribution boxes in Namibia, allowing direct contact with wholesalers and manufacturers for bulk orders or custom solutions .
- Go4WorldBusiness connects buyers with verified Namibian electrical distribution box suppliers, offering options for bulk procurement and technical specifications for industrial and commercial applications . Custom and Industrial Solutions
- Some suppliers provide custom-built power distribution units (PDUs), including surface mount, rack mount, and general-purpose applications....
