

Nepal Fiber Optic Splice Box Manufacturer

Article Overview

Fiber optic splice boxes in Nepal are available from both local distributors and international manufacturers such as Ubuy Nepal, OPTOKON, TTI Fiber, and UnitekFiber.

Local Availability in Nepal

- Ubuy Nepal offers IP68 waterproof fiber optic splice enclosures suitable for outdoor installations, supporting up to 24-core fibers. These enclosures are designed for durability, corrosion resistance, and easy installation in harsh environments, making them ideal for telecom and data center applications in Nepal .

International Manufacturers Accessible in Nepal

- OPTOKON provides a wide range of fiber optic connectors, patchcords, pigtails, and assemblies, including ruggedized solutions for demanding environments. Their products are trusted for critical infrastructure and can be sourced in Nepal through distributors .
- TTI Fiber manufactures fiber optic cables, patch cords, splitters, and connectivity solutions, including splice boxes. They are ISO 9001 certified and offer global shipping, making their products accessible to Nepalese network providers .
- UnitekFiber produces high-quality IP68 fiber optic splice closures ranging from 48 to 1152 cores. Their enclosures are suitable for overhead, pipeline, and direct burial installations, providing reliable protection and low-loss connections
