

North Asia Steel Plate Distribution Box Explosion-proof Manufacturer

Article Overview

Leading manufacturers in North Asia include Tengda Explosion-proof Technology, Nanyang Zhongtong Intelligent Technology, Miretti Group, and Qijun Electric, offering certified explosion-proof distribution boxes and enclosures.

Key Manufacturers and Capabilities

1. Tengda Explosion-proof Technology Co., Ltd. Located in China, Tengda specializes in explosion-proof distribution boxes, control boxes, junction boxes, and lamps. They offer a wide range of products with dust-proof, waterproof, and anti-corrosion features, supporting large-scale customization and multiple specifications. Their production process ensures quality from raw material inspection to finished product packaging, making them suitable for industries like petroleum, chemical, natural gas, shipbuilding, and aerospace . 2. Nanyang Zhongtong Intelligent Technology Group Co., Ltd. Headquartered in Nanyang, Henan Province, China, Zhongtong focuses on intelligent explosion-proof electrical products including control cabinets, air conditioners, lighting systems, and ventilation systems. They hold international certifications such as ATEX, IECEx, and Russia CU-TR, and supply major enterprises like Sinopec and PetroChina. Their products are widely used in petrochemicals, coal power, railways, metallurgy, and marine industries . 3. Miretti Group Miretti provides explosion-proof solutions across the APAC region, with production facilities in Singapore and Suzhou, China. They offer ATEX and IECEx certified distribution boxes, ex components, and mobile vehicle conversions for hazardous environments. Miretti emphasizes fast response, on-site support, and availability of spare parts, making t...
