

North Macedonia sells fiber optic patch cords and pigtails

Article Overview

North Macedonia offers fiber optic patch cords and pigtails through local distributors like TELEKS, providing a range of high-quality solutions for fiber optic networks.

Local Availability

TELEKS is a key distributor in North Macedonia, offering a complete range of fiber optic products, including patch cords and pigtails. They provide carrier-grade solutions and distribute products from leading manufacturers in the fiber optic industry, making them a reliable source for both standard and customized fiber optic components .

Product Types and Features

-

Fiber Patch Cords: Short fiber optic cables with connectors at both ends, used to connect devices within racks, patch panels, or network equipment. They are highly flexible and available in various connector types such as SC, LC, ST, and MTP/MPO. High-quality patch cords ensure low insertion loss and low return loss for optimal signal transmission .

-

Fiber Pigtails: Short fibers with a connector on one end and an exposed fiber on the other, designed for splicing into fiber optic installation cables. Pigtails are essential f...
