

Price of Stainless Steel European Style Cable Trays

Article Overview

Stainless steel European-style cable trays typically range from \$50 to \$250 per meter, depending on size, configuration, and stainless steel grade.

Pricing Overview

The cost of stainless steel cable trays varies based on several factors:

- **Material Grade:** Higher grades like 316 stainless steel, which offer superior corrosion resistance, are more expensive than 304 stainless steel .
- **Tray Type and Width:** Wire basket trays (50-600 mm wide) are generally more cost-effective than solid or perforated trays .
- **Length and Accessories:** Standard lengths are usually 2-3 meters, but custom lengths, bends, and lids increase the price .
- **Supplier and Volume:** Bulk purchases often qualify for discounts, and some suppliers like Electrix offer large discounts for direct orders .

Typical Price Ranges

- **Small wire basket trays (50-200 mm width):** Approximately \$50-\$100 per meter .
- **Medium trays (200-400 mm width):** Around \$100-\$180 per meter .
- **Large trays (400-600 mm width or heavy-duty configurations):** \$180-\$250 per meter
