

Price of cable tray bends inner bend

Article Overview

Cable tray inner bends typically start around \$0.8 per unit for bulk orders, with prices varying based on material, size, and supplier.

Pricing Overview

- **Bulk Pricing:** On platforms like Alibaba, bend cable trays can be purchased in bulk starting at approximately \$0.8 per unit, with a minimum order of 10 units. These are available in stainless steel and wire mesh designs, often including 90° elbows for cable management.
- **Industrial Suppliers:** Companies such as Ramdev Steel Industries offer 90° vertical inner bends for cable trays with a 50 mm side height, including fastening hardware. Prices are typically quoted per unit and may vary depending on the tray size and material.
- **Cost Factors:** The final price depends on:
 - **Material:** Stainless steel, galvanized steel, or plastic.
 - **Tray Size:** Side height (e.g., 50 mm, 75 mm, 100 mm) affects cost.
 - **Quantity:** Bulk orders often reduce per-unit cost.
 - **Additional Hardware:** Some suppliers include fastening materials, which can slightly increase the price.

Practical Considerations

- **Minimum Order Quantities:** Many suppliers require a minimum order (e.g., 10 units for bulk online purchases or 50 meters for certain tray systems in India) to qualify for listed prices
