

Price of cable trays in Gao'an

Article Overview

Cable tray prices in Gao'an vary widely depending on material, size, and supplier, typically ranging from \$5 to \$50 per meter for standard types.

Price Ranges and Factors

Cable tray prices depend on several factors:

- **Material:** Galvanized steel, stainless steel, aluminum, and plastic-coated trays differ in cost. Galvanized steel is common and cost-effective, while stainless steel and aluminum are more expensive due to corrosion resistance and durability .
- **Type and Size:** Ladder trays, perforated trays, and wire mesh trays have different manufacturing costs. Width, height, and thickness (0.5–2.0 mm) influence the price .
- **Customization:** OEM or factory-direct options for specific dimensions or load capacities may increase cost but offer better fit for industrial projects .
- **Quantity:** Bulk purchases often reduce the per-meter price. Wholesale suppliers in China provide discounts for large orders .
- **Supplier Location:** While Gao'an may not have many local manufacturers, sourcing from nearby Chinese suppliers or online platforms like Made-in-China, Alibaba, or Tradewheel can provide competitive pricing .

Typical Price Estimates

- Wire mesh cable trays: \$5–\$15 per meter
- Ladder cable trays (galvanized): \$10–\$30 per meter
- Heavy-duty or stainless steel trays: \$25–\$50 per meter...
