

QSFP28 optical module manufactured in India

Overview

Find Best Price, Quotations, Address, Contact Number, Reviews and Ratings of Verified Qsfp28 Optical Transceiver Dealers, Manufacturers & Suppliers in India. Since 2005, We, Silicon Components Private Limited, are leading a organization involved in Exporter and Importer, Manufacturer, Wholesaler, Trader of Microchip Products. Discover high-speed 100G QSFP28 optical transceiver modules for 4 x 28Gbps transmission. including 100GBASE-SR4,100GBASE-LR4,100GBASE-ER4 and 100GBASE-ZR4. Extend your network up to 80km with our QSFP28 modules. 3ba standard, and transmission distance up to 70m on OM3 MMF and 100m on OM4 MMF. Digital diagnostics functions are available via an. Jayani Technologies Ltd, operating under the brand JTOptics, specializes in next-generation optical transceivers and related components, offering products designed for high-speed data communication in various fiber optic applications. Founded in 2011 in Mumbai, India, the company has expanded to. The 100G QSFP28 Single Lambda optical module sets a new standard in high-performance optical solutions for data centers and enterprise networks. This module delivers outstanding data rates while optimizing power efficiency. Manufactured by ETU-Link Technology Co., our products meet rigorous.
