

Ranking of Primary Distribution Box Brands in China and Africa

Article Overview

Top distribution box brands in China include Chint Group, Schneider Electric, Simon Electric, and FIG, while Africa's market is dominated by global players like Schneider Electric, ABB, and Siemens.

Leading Brands in China

- Chint Group / Zhejiang Zhengtai Electric Appliance Co., Ltd. – A major Chinese manufacturer specializing in low-voltage electrical products, including power distribution appliances, control devices, and power electronics. Chint is recognized for its extensive product range and strong domestic market presence .
- Schneider Electric (China) Co., Ltd. – A global energy management leader with a strong footprint in China, offering total solutions for industrial, residential, and infrastructure applications. Known for smart distribution systems and energy efficiency solutions .
- Simon Electric – Spanish-origin low-voltage electrical brand with operations in China, producing switch sockets, lighting fixtures, and intelligent control systems. It is well-regarded for quality and diversified product lines .
- Shanghai Xinji Electric Co., Ltd. – Focused on smart home and building electrical systems, Xinji Electric is a recognized Chinese brand for distribution control and lighting control products .
- FIG (China) Co., Ltd. – A Fortune 500 company providing power and automation solutions, with a strong presence in industrial, transportation, and infrastructure sectors . Other notable Chinese brands include Delixi Electric and Laiwo Electrical, which are recognized for low-voltage distribution solutions and industrial applicatio...
