

South African manufacturer of long-span trough cable trays

Article Overview

Leading South African manufacturers of long-span trough cable trays include Advanced Strut, AcrowStrut, CMG, Saar Industries, and A-Strut, offering durable, high-quality solutions for industrial and commercial applications.

Key Manufacturers

Advanced Strut – Based in Cape Town, Advanced Strut manufactures a wide range of cable management solutions, including metal cable trays, wire mesh trays, and cable ladders suitable for long-span installations. Their products are designed for commercial, industrial, and data cabling applications, ensuring durability, airflow, and compliance with electrical containment standards (Advanced Strut) . AcrowStrut – Operating from Wadeville, Germiston, AcrowStrut provides a full range of cable management and reticulation products manufactured in South Africa. Their long-span cable trays are engineered for mining, industrial, and commercial sectors, emphasizing high-quality steel construction and reliability (AcrowStrut) . Cable Management Group (CMG) – CMG offers perforated and ladder-type cable trays for light, medium, and heavy-duty applications. Their long-span trough trays are engineered with cold-formed metal channels and continuous openings for strength and flexibility, suitable for industrial and commercial projects across Africa (CMG) . Saar Industries – Saar Industries specializes in industrial cable trays, including ladder, perforated, and wire mesh types. Their products are ISO 9001:2015 certified and designed for maximum durability and airflow, making them ideal for long-span installations in manufacturing plants, power stations, and commercial buildings (Sa...
