

South African network cabinet supplier

Article Overview

South Africa offers a variety of reliable network cabinet suppliers, including Actsys, Eabel, CPS, Modac, Tekmart, Netrack, RT Systems, Local IT Guy, Redstrut, and Progenix.

Leading Suppliers and Manufacturers

Actsys supplies a wide range of network cabinets, including Lambda, Modrac, and Acetech brands. They offer wall-mounted and floor-standing cabinets in sizes from 4U to 47U, with depths ranging from 300mm to 1000mm. Actsys also provides accessories, installation tools, and internal configuration hardware such as switches, routers, and patch panels, suitable for data centers, office networks, and industrial environments. Eabel, CPS, Modac, Tekmart, Netrack, and RT Systems are recognized as top manufacturers in South Africa. Eabel specializes in customized electrical enclosures and control panels. CPS Technologies offers server cabinets, charging trolleys, and power distribution units. Tekmart focuses on data center infrastructure solutions, while Netrack provides server racks, network enclosures, and accessories. RT Systems delivers integrated infrastructure solutions including UPS systems, power management, and telecom power solutions. Local IT Guy supplies and installs wall-mounted and free-standing network cabinets in sizes ranging from 4U to 42U. They provide installation services for small networks, corporate network rooms, and data centers, sourcing products from multiple manufacturers. Progenix offers a variety of Linkbasic and Scoop cabinets, including wall boxes and free-standing server cabinets with high-strength steel construction, multiple fan options, and customizable depths and widths. Redstrut also provides networking solutions, though specific product details are available upon inquiry
