

Venezuelan Drop Cable Manufacturer

Article Overview

Key Venezuelan manufacturers of drop cables include CABEL, Facati, and Cabelec, all offering high-quality electrical and industrial cables.

Interamericana de Cables Venezuela S.A. (CABEL)

CABEL is a leading Venezuelan cable manufacturer with over 60 years of experience, producing a wide range of electrical conductors and drop cables. The company operates from Valencia and integrates advanced technology through its connection with Viakable and the Xignux group, ensuring international standards. CABEL holds ISO 9001 certification for quality management, ISO 45001 for occupational health and safety, and environmental management certifications, making it a reliable supplier for industrial and commercial projects .

Facati C.A.

Facati specializes in low-voltage and industrial cables, including power, control, and instrumentation cables. With over 40 years of experience, Facati operates a plant in Tinaquillo, Cojedes, and an office in Valencia, Carabobo. They offer customized cable solutions and emphasize fast production and delivery times, suitable for both industrial complexes and commercial installations .

Cabelec

Cabelec has more than two decades of experience supplying the Venezuelan oil, electrical, and industrial sectors. They provide a broad range of cables, including in...
