

Which company provides power cable trays for Qatar

Article Overview

Top cable tray manufacturers in Qatar include Altura Industries, TransDelta International, Transpower Qatar, and Advance Line Cable Management System, all offering high-quality, certified products for industrial and commercial applications.

Leading Manufacturers

Altura Industries is a prominent manufacturer in Qatar, specializing in cable trays, ladders, and trunking systems. Their products are designed for smooth cable pulling and are suitable for harsh environments such as petrochemical and marine industries. Altura offers GRP/FRP cable trays and wire mesh systems, ensuring durability and compliance with BS EN 61537:2007 standards, making them a reliable choice for MEP contractors seeking high-quality cable management solutions . TransDelta International Industries L.L.C is the Middle East arm of TRANSCON Global Group and a leading manufacturer of cable management systems in Qatar and GCC countries. They produce a wide range of cable trays, ladders, and trunking systems under the Delta brand. Their products are ISO-certified and meet international standards, with a strong reputation for quality, reliability, and timely supply to major electromechanical contractors . Transpower Qatar functions as a distributor for Delta products in Qatar, supplying a full range of cable support systems sourced from Malaysia, Turkey, Qatar, and Oman. They emphasize quality control, in-house galvanizing, and compliance with international standards, making them a trusted supplier for large-scale construction projects . Advance Line Cable Management System L.L.C manufactures cable trays, ladders, basket trays, strut channels, and G...
